

The COA is looking for your help!

We are looking for anyone who would like to volunteer their time to help out a senior in need of shoveling!

What we are looking for is anyone that has time to volunteer a few hours after every storm to shovel out a walkway of a senior who is unable to physically do this them selves.

- We will connect you to a senior whose walkway you would shovel out after each storm. We will find a substitute for any dates you plan to be away.
- You will be responsible for only shoveling ONE walkway. The homeowner is responsible to hire someone to plow their driveways.
- We do ask that you call your senior once they are assigned to you to introduce yourself before the first storm.
- Even if you can not commit to every storm, you can still help as we need substitutes. We would call or email you in advance to see if you would be available in case a storm comes while a regularly scheduled shoveler is planning to be away.

Please consider helping out a senior in need. We are especially in urgent need of shovelers in West Boxford.
