### Project Presentation & Next Steps

We are Studio Luz Architects and we are working with the Town of Boxford and MassDevelopment to create a new vision for two surplus properties located at 4 Middleton Road and 188 Washington Street that will benefit the surrounding Boxford community.

These new visions for 4 Middleton Road and 188 Washington Street are based on community input, market analysis, and the programmatic needs of the town, defining the future programming and connecting the vision to the Boxford Town Facility master plan.

Studio Luz will be presenting a final report with recommended uses for 188 Washington and 4 Middleton Rd with next step recommendations at a public meeting.

Please join us at our final project presentation!
