The TIP is a Federally-mandated document that programs federal transportation funding in the region. The TIP provides a brief description of each road or transit project along with estimates of cost and the year that it will likely be advertised for construction. Any transportation project that will use federal transportation funds must be in the TIP. In addition, the MVMPO's Public Participation Plan satisfies the Merrimack Valley Regional Transit Authority's public participation process for the development of its Program of Projects.

The above referenced documents are available for review on the Merrimack Valley Planning Commission (MVPC) website (www.mvpc.org) for the twenty-one (21) day review period beginning on March 1, 2023 and ending on March 21, 2023.

The MVMPO staff will accept emailed written comments on the draft documents through March 1, 2023. Public comments must be submitted to: preed@mvpc.org or through the "Provide Comments Now" button on the mvpc.org/news website where you will find this notice with links to the draft document and the comments button.

The MVMPO expects to take action on the above documents at its late March meeting (check www.mvpc.org toward the end of the review period for recent news regarding the MPO VIRTUAL meeting). Members of the public are invited to JOIN the VIRTUAL meeting. Comments on the draft documents will also be accepted orally at this meeting. In the event that further amendments to the documents are recommended, the draft documents will be re-released for public comment in accordance with the MVMPO Public Participation Plan. Upon adoption by the MVMPO, the TIP will be considered to be the MVMPO's final program of projects.

Notice: The virtual public hearings are accessible to people with disabilities and individuals with limited English proficiency. The MVMPO provides reasonable accommodations and/or language assistance free of charge upon request (including but not limited to interpreters in American Sign Language and languages other than English, CART, translated documents, open or closed

captioning for videos, assistive listening devices and alternate material formats, such as audio tapes, Braille and large print), as available. For accommodation or language assistance, please contact Patrick Reed by email at preed@mvpc.org. Requests for accommodation or language assistance should be made as soon as possible, preferably at least 10 days prior to the meeting.
