The list of items with possible dates that Box BtoB committee needs to follow to prepare for phase I with Georgetown.

Then same for phase 3 – in Boxford: Georgetown Road to Pond Street.

Who should speak with John Hendrickson – Standex – and MASS DOT – “G”

And what should the committee be doing to work with National Grid on a lease for the section south of Pye Brook Lane.

Will you be notified as plans for building a new electric relay station progress? Will Ross be notified?

Police Chief Riter?

Shall members of the committee plan to meet with the Boxford Land Committee on issues along the Boxford sections of the rail trail?

One more item – the crossing lines need to be painted soon on Kelsey Road. Shall I call John Dold to schedule this project? – any other notices – I’ll let Police Chief Riter know.

Thank you very much.

Nancy Merrill
