Re: 119 Depot Road – Notice of Intent
MassDEP File Number 114-339

Dear Ross,

As you are aware, our office filed a Notice of Intent application, on behalf of the property owner, Garrett Friedman, for activities within jurisdictional areas of the Massachusetts Wetlands Protection Act, and Boxford Wetlands Protection Bylaw, at the above referenced property. We have had two public hearings and a site visit to date.

Please find attached a plan that was revised based on comments made during the last public hearing. The plan was revised to show a gate at the trailhead on Depot Road, the trail head on Bare Hill Road, and a row of boulders at the trailhead in the southwest portion of the property. The gates and boulders are proposed to serve as a deterrent to all terrain vehicles.

We look forward to discussing the revisions with your Commission at your next scheduled public hearing. If you have any questions regarding this information, or require any additional information, please do not hesitate to contact our office.

Sincerely,

WILLIAMS & SPARAGES LLC
