Re: 82 Herrick Road – Notice of Intent
MassDEP File No. – 114-1342

Dear Ross,

As you are aware, our office filed a Notice of Intent application, on behalf of the property owners, Francesca Bellini & Giovanni Cianchetta, to conduct work within jurisdictional areas of the Massachusetts Wetlands Protection Act, and Boxford Wetlands Protection Bylaw.

Please find attached a revised plan, that was revised based on comments made during the last public hearing. The plan was revised to show the following:

- The lower portion of the existing chain link fence is proposed to be removed and a new fence line has been added to the plan below the proposed retaining wall.
- A fence removal construction methodology has been added to the plan that describes how the BVW will be protected during the fence removal effort.

We look forward to discussing the revisions with your Commission at your next scheduled public hearing. If you have any questions regarding this information, or require any additional information, please do not hesitate to contact our office.

Sincerely,

WILLIAMS & SPARAGES LLC

A handwritten signature in black ink, appearing to read 'G. Hochmuth', is written over the company name.
