

**ARTICLE 10.** To see if the Town will vote to appropriate \$150,000 to be expended, under the direction of Permanent Building Committee to pay costs for the Additional Alternate – Emergency Generator for the Boxford Community/Senior Center construction project, known as the “Center at 10 Elm” to be located at 10 Elm Street, including the payment of all costs incidental or related thereto (the “Project”); and to meet this appropriation, authorize the Treasurer with the approval of the Select Board to borrow under and pursuant to Massachusetts General Laws Chapter 44, Section 7, or pursuant to any other enabling authority, and to issue bonds or notes of the Town therefor, and that any premium received by the Town upon the sale of any bonds or notes approved by this vote, less any such premium applied to the payment of the costs of the issuance of such bonds or notes, may be applied to payment of costs approved by this vote in accordance with Chapter 44, section 20 of the General Laws, thereby reducing the amount to be borrowed to pay such cost by a like amount; provided however that no funds shall be borrowed or expended hereunder unless and until the Town shall have voted to approve Article #9 in this warrant and further have voted to exclude the amounts required to pay for any bonds or notes issued pursuant to this vote from the limitations of Chapter 59, Section 21C of the General Laws, also known as Proposition 2½; and to authorize the Chief Procurement Officer and the Permanent Building Committee to enter into any and all agreements and execute any and all instruments as may be necessary on behalf of the Town to effectuate the construction of said Project; provided further that the amount of borrowing authorized pursuant to this vote shall be reduced by any grant amount received prior to the issuance of any bonds or notes under the authority of this vote; or take any other action thereon.
