MOTION: I move to appropriate **\$28,000 from the Community Preservation Committee Historic Fund balance to fund the preparation of construction plans and drawings showing the historic rehabilitation of the Little Red School House, 26 Middleton Road;** said funds to be expended under the direction of the Permanent Building Committee,

COMMENTS: Historical rehabilitation of the Little Red School House was commenced a few years ago by a volunteer group of residents. It soon became apparent that grant funding and donations were available for the actual rehabilitation construction; however, most grant entities required plans and drawings to consider grant requests. This assistance from the CPC funds will allow the proponents to seek grant funding and complete the required rehabilitation.
