

# INFORMATION SESSION

The Town of Boxford is pleased to announce that it will launch its electricity supply program, Boxford Community Electricity, in June, 2024. The program is a municipal aggregation, which is already offered by nearly 170 cities and towns in the State.

We invite you to join us at a community meeting to learn more about the program.

April 23, 2024

6pm

Town Hall

in-person or virtual attendance.
