RE: 6 Lawrence Road

Dear Ross.

As a result of the last big storm, we've sustained a fair amount of damage, and a number of downed trees and limbs, specifically outlined in the photographs attached. Our hope is for your Determination of Negligible Impact so that we may clear the fallen trees and neatly prune the broken edges of tree limbs in addition to small limb cleanup that would be appropriate. There is an apple tree in our front yard that will need the top branch cut to prolong what life it has left, and I have shown that as well.

I have enclosed a check for \$50 for the application fee, and we look forward to your decision.

Best wishes,
