

Executive Session Motion

I move that the Select Board enter into executive session:

- To comply with, or act under the authority of, any general or special law or federal grant-in-aid requirements; Health Insurance Portability and Accountability Act of 1996 (HIPAA)

and declare that an Executive Session is necessary since an open public discussion may have a detrimental effect on the negotiating or bargaining position of the Select Board.

The Select Board will adjourn upon conclusion of the Executive Session and not be returning to open session.
