

Mitigation Plan for 316 Ipswich Road  
in Connection with a Notice of Intent  
Application - DEP # 114-1334

Prepared by Wetlands & Land Management, Inc.  
October 12, 2021

Ipswich Rd

Ipswich Rd

316 Ipswich Rd

Lawn and trees occurring southerly of the approved wetland boundary may be mowed or pruned only. No further improvements are allowed in this area without approval from the Conservation Commission.

Approximate wetland boundary - see final approved Conservation Commission Plan for DEP # 114-1334 for actual location.

The applicant and any future owners shall cease grass mowing and maintaining vegetation in the area defined by the stone wall. Allow this area to naturalize. See Order of Conditions for DEP # 114-1334

Installation of this boardwalk occurred prior to 1983 and can remain and be repaired within the current footprint only. Any other work requires an application to the Conservation Commission.
