

Reuse of COA and Former West Library Call for Residents to Join Advisory Board

The Boxford Select Board has created the Adaptive Reuse of Buildings Advisory Committee to consider a comprehensive analysis of potential reuses for the current Council on Aging building at 4 Middleton Rd. and the former West Library at 188 Washington Street. The Advisory Committee will help the Select Board create a plan for the reuse of the buildings. The analysis should include future uses by the municipality as well as the potential benefits of disposing of any of these properties.

The 7-member Advisory Committee includes an at-large member of the public. Residents interested in volunteering to participate in the Advisory Committee should send an email with resume attached to the Town Administrator's office at lmihalchik@boxfordma.gov. Please include a summary of your interest in applying to be on the Advisory Committee and any skills or experience that would be useful for the Committee.
