Topsfield Health Department offers Children's COVID & FLU vaccine Appointments at Town Hall

In an effort to help meet the community's ongoing need for access to COVID and FLU vaccines, the Topsfield Health Department will provide appointments for Topsfield, Boxford, and Middleton (Tri-Town) children needing COVID and FLU vaccines this fall.

The CDC and Mass Dept of Public Health advise an annual Flu and COVID vaccine for all ages 6 months and older. Vaccinations are safe, effective, and free to residents.
